Sales & Use Tax Regulations - Resale Operations Effective July 1, 1939

To our Customers:

In compliance with the California State Sales and Use Tax Ruling No. 68, it is necessary that we have from all our customers a signed Resale Certificate, with their State Sales Tax Permit Number to show that the merchandise has been purchased for resale.

The good faith of the seller will be questioned if he/she has knowledge of the facts which give rise to a reasonable inference that the purchaser does not intend to sell the property; as for example, knowledge that the purchaser of a particular merchandise is not engaged in the business of selling that kind of merchandise.

Under the "Description of property to be purchased" there may appear:

1. Either an itemized list of particular property to be purchased for resale, or
2. A general description of the kind of property to be purchased for resale. Such certification is good until revoked in writing.

Please insert your State Sales Tax Permit Number with your signature and address on the attached Resale Certificate and return it to us at once. Your cooperation is appreciated.
